

KEVIN SAEZ RAMIREZ

email: kevinsaezramirez@gmail.com

github: <https://github.com/gatofisgon>

Really good at solving problems, good experience being self-taught and proactive.

Areas of Knowledge

- Managing **HTML, CSS & JS** (plus **Bootstrap & jQuery**) since 2020.
- Good knowledge of **new technologies** in general.
- Experience developing web apps with **nodeJs** and **expressJS** (using **EJS**).
- Developed web apps with **mongoDB + mongoose**.
- Knowledge of **Git & GitHub** version management.
- Knowledge of **Heroku** (**AWS** deployment).
- Knowledge about **RESTful API** development with **Postman**.
- Knowledge about **ReactJs** (actually developing my own web portfolio).
- Likes to learn every day something new about web technologies.

Languages

English (advanced), Spanish (native)

Hobbies

- Videogames fan.
- Learning about anything that draws my attention.
